an appropriate recommendation and forward the packet to Civil Division, DOJ, for final approval.

(e) Special actions in foreign countries. Employment of private counsel in foreign proceedings is governed by AR 27-50 (Status of Forces Policies, Procedures, and Information). Under the authority of 10 U.S.C. 1037, soldiers, as well as employees or those accompanying the armed forces overseas, may be granted individual counsel in civil and criminal proceedings, under the criteria of AR 27-50.

### § 516.32 Requests for indemnification.

(a) *Policy.* An individual liable for a judgment rendered against him in his individual capacity has no right to reimbursement from DA. DA will consider, however, a request for indemnification from DA personnel where conduct within the scope of official duties has resulted in personal liability and indemnification is in the best interests of the United States. Indemnification is strictly contingent upon an appropriation to pay the judgment, as well as availability of such funds.

(b) *Individual request procedures.* An individual against whom an adverse judgment has been rendered may request indemnification. The request must include, at a minimum, the following: how the employee was acting within the scope of his employment; whether the requestor has insurance or any other source of indemnification; and, how reimbursement is in the best interests of the United States. The request must also contain the following statements: "I understand that acceptance of this request for indemnification for processing by DA does not constitute an acceptance of any obligation to make such a payment. I also understand that payment is contingent on availability of funds and that it will only be made if such is determined to be in the best interests of the United States." The individual should attach a copy of relevant documents, for example, court's opinion, judgment, and other allied papers.

(c) *Supervisory and SJA procedures.* The request for indemnification will be submitted through supervisory channels to the local SJA or legal adviser. Each supervisor will make a rec-

ommendation on the propriety of reimbursement.

(d) *Chief, Litigation Division, procedures.* Requests for indemnification will be forwarded to Chief, Litigation Division. The Chief, Litigation Division, will examine the submission and, after consultation with DOJ or other agencies, forward the packet with his recommendation to the Army General Counsel. The General Counsel will obtain a final decision by the Secretary of the Army or his designee on the matter. There is no administrative appeal of the Secretary's (or his designee's) decision.

## Subpart E—Legal Proceedings Initiated by the United States Medical Care and Property Claims

### § 516.33 General.

(a) Authorities.

(1) Federal Medical Care Recovery Act (42 U.S.C. 2651). The act provides for the recovery of medical care expenses incurred because of a tortfeasor's actions.

(2) Federal Claims Collection Act (31 U.S.C. 3711). The act provides for the collection of claims for money or property arising from the activities of Federal agencies.

(3) Third-party Collection Program (10 U.S.C. 1095). The statute provides for collection of reasonable costs of health-care services, provided in facilities of the uniformed services to covered beneficiaries, from private insurers or third-party payers. In accordance with DOD Instruction 6010.15, "Third Party Collection (TPC) Program," 7 March 1991, the authority to settle or waive a DOD claim under the act is delegated to TJAG or to his designee.

(4) Executive Order No. 12778, (56 FR 55195; 3 CFR, 1991 Comp. p. 359), Civil Justice Reform. This order establishes several requirements on Federal agencies involved in litigation or contemplating filing an action on behalf of the United States.

(5) AR 27-20, Claims. Chapter 14 (Affirmative Claims) contains comprehensive guidance for Recovery Judge Advocates (RJAs) in the administrative determination, assertion, collection,

settlement, and waiver of claims in favor of the U.S. for property damage and for medical care claims.

(b) *Duties and Procedures.* In accordance with Chapter 14, AR 27-20, Commander, USARCS, has supervisory responsibility over the administrative processing of property and medical care claims by RJAs. The Commander, U.S. Army Health Services Command (HSC), has supervisory responsibility over the Third Party Collection Program (TPCP). The HSC TPCP Implementation Plan effects DOD Instruction 6010.15 and establishes procedures for processing TPC claims. Litigation Division, in conjunction with DOJ and U.S. Attorneys, is responsible for pursuing, through litigation, claims not resolved administratively. DOJ is ultimately responsible for initiating litigation for the United States. (28 U.S.C. 515).

(c) *Assertion of claims on behalf of the United States by private attorneys.* The Army incurs potentially recoverable expenses when it provides medical care to soldiers or dependents injured by tortfeasors (for example, a soldier is hospitalized after an automobile accident). When injured personnel employ a private attorney to sue the tortfeasor, it may be in the Government's best interests to enter into an agreement with the private attorney to include the Army's medical care claim.

(d) *Statute of limitations.* There is a three year statute of limitations for actions in favor of the U.S. for money damages founded upon tort. (28 U.S.C. 2415(b)). Limitations periods can vary, however, depending upon the theory of liability and the jurisdiction involved. RJAs must be alert to the applicable period of limitations. A case referred for litigation should arrive at Litigation Division at least 6 months before the expiration of the limitations period.

(e) *Reporting of recoveries.* Amounts recovered through litigation will be reported to USARCS by Tort Branch, Litigation Division, or, where referred directly to a U.S. Attorney or the Nationwide Central Intake Facility (NCIF), by the responsible RJA.

#### **§516.34 Referral of medical care and property claims for litigation.**

(a) *Criteria for referral.* The RJA will forward the claims file and a litigation report (See §516.35 of this part) through USARCS to Litigation Division when the claim has not been resolved administratively and any of the following conditions exist:

- (1) The claim exceeds \$5,000;
- (2) It involves collection from the injured party or his attorney;
- (3) The claim raises an important question of policy; or,
- (4) There is potential for a significant precedent.

(b) *Alternative methods.* When none of the conditions cited in the preceding subparagraph are present, the RJA may refer the claim directly to the U.S. Attorney for the district in which the prospective defendant resides. Similar property claims may be referred through USARCS to DOJ's Nationwide Central Intake Facility (NCIF) rather than directly to the U.S. Attorney. Notice of all such referrals shall be provided through USARCS to Tort Branch, Litigation Division. The RJA should be ready to provide support to the U.S. Attorney if requested.

(c) *Closing Files.* A file referred directly to the U.S. Attorney will be closed if the U.S. Attorney determines further action is unwarranted. If the RJA disagrees, the file should be forwarded with the RJA's recommendation through USARCS to Litigation Division.

#### **§516.35 Preparation of claims for litigation.**

(a) *General.* In preparing a referral for litigation the RJA will ensure the file contains at least the following:

- (1) A litigation report (See §516.23 of this part) that demonstrates a factual basis for the claim and a theory of recovery under applicable state law. (See Fed. R. Civ. P. 11)

- (2) Copies of all medical records and bills reflecting the reasonable value of the medical care furnished to the injured party, including DA Form 2631-R (Medical Care-Third Party Liability Notification), and DA Form 3154 (MSA Invoice and Receipt). These documents should be authenticated as necessary on a DA Form 4.
